

## Press Release

11 October 2018

### **KLM Cityhopper, Flybe and APG Airlines join ERA Board**

- The ERA board election results were announced on 11 October at ERA's Annual General Meeting which took place during the ERA General Assembly in Edinburgh, Scotland.
- Roy Kinnear of Flybe, Warner Rootliep of KLM Cityhopper and Sandrine de Saint Sauveur of APG Airlines were announced as new regular airline board members.
- Re-elected associate board members named as Clemente Affinito of ATR and Yoshihisa Kumagai of Mitsubishi Aircraft Corporation.

ERA (European Regions Airline Association\*) announced today that Roy Kinnear of Flybe, Warner Rootliep of KLM Cityhopper and Sandrine de Saint Sauveur of APG Airlines have been elected as the new members of the ERA Board – further strengthening the association's industry knowledge and expertise.

Montserrat Barriga, ERA Director General, says: "I am delighted to welcome Roy Kinnear, Warner Rootliep and Sandrine de Saint Sauveur to the ERA Board. These appointments further complement ERA's strong industry experience and expertise – all new board members have a substantial background in European aviation and I know our existing board members, myself included, are looking forward to working with them. In addition, the re-election of Clemente Affinito and Yoshihisa Kumagai demonstrates the continuing commitment our members have to guiding ERA's work and protecting the industry. I'm very grateful to all of our board members for their ongoing support."

For more information, please contact Satu Dahl, ERA Manager Corporate Communications, on +44 (0)1276 485582, +44 (0)7713 984792 or by email at [satu.dahl@eraa.org](mailto:satu.dahl@eraa.org).

\* Founded in 1980, ERA is a non-profit trade association representing 50 airlines and 152 companies involved in European air transport and is the only association representing the entire spectrum of companies involved in European aviation. The association promotes the interests of European airlines by lobbying the European Commission and other European regulatory bodies on policy matters, promoting the social and economic importance of air transport and its environmental commitments.
